Discussion on the Mask requirement on SCLP sessions for this season.....

**Motion** was made by Bethany Kress that for the First Session that on ALL SCLP Sessions masks would be worn by all skaters and coaches on and off the ice. In addition parents, friends, anyone one accompanying skaters that are in the stands will also be required to socially distance and wear masks while in the building. **Seconded** by Christie Sausa. **Approved** by All.

**Program Director's Report:** Skating begins on Sunday 10/25/2020

Presently numbers include: 22 Basics, close to 10 Bridge skaters, 2 Adults as of 10/20/2020

Angie Gavin withdrew interest in coaching but will sub if necessary.

Kat is interested in subbing also.

Chloe Hurteau is interested in teaching. Higher than a Jr. level coach but isn't ready to coach yet. Would need USFS membership, SafeSport, Insurance, Learn to Skate Certification (optional)

Marc Fenczak is interested in coaching.

The sessions this year will be 50 minutes in length for actual coaching time, however there is much to do for "herding" (for lack of a better word) getting the skaters on and off the ice due to the new protocols that coaches will be compensated for a full hour.

The Adults Session will have no coaching on their session. Masks will be required on All Sessions.

Everyone will have to fill out the health forms for when they come for their sessions. They are available online; some will be available at the rink.

Amanda Jones requested help from the Board. Someone to volunteer with the ability to control the flow of skaters on to and off the ice. Also, help signing people in and ensuring proper mask and distance protocol by the skaters' parents and/or chaperones. Gina Abodeely and Bethany Kress are going to be present to help with the flow of skaters.

First week the sessions are in the 32 Rink. Flow is enter sliding glass doors next to the Conference Center, go up the stairs to the Hall of Fame Hallway, Put on your skates there, Take your belongings into the rink to another spot where you will take off your skates when finished, Enter the ice at the gate, After taking off your skates leave at the end of the rink and exit the building by going down the stairs located in the connector near the "GOLD MEDALISTS" name display,. Update on procedures for the 1980 rink will be posted when ice time is moved to that rink.

Discussion on purchasing one night of ice or the two nights. **Motion** was made by Robin Miller that skaters had to purchase both days of ice due to the limited numbers allowed on the ice at this time because of Covid-19 protocols that need to be followed. **Seconded** by Christie Sausa. **Approved** by All.

**Treasurer's Report:** **Motion** made by Christie Sausa to accept the report as presented, **Seconded** by Ed Minkoff, **Approved** by All.

**President's Report:** Christie Sausa has credited the accounts of all the people due monies from the cancelling of ice due to closure of the rinks from Covid-19. Should be up to date.

Merchandise - jacket prices were a lot more than was expected. Half way through the first session push the tee shirts and sweatshirts.

Three people signed up incorrectly on Entryeeze and still owe money. Christie will add the amount owed into the cart on their accounts. Brooke and Amanda are going to make a video on how to sign up on Entryeeze for the next session.

They, Brooke and Amanda, are also going to make a walk through video of how to go through the process of entering the 32 Rink following protocol.

Discussion on fundraising with Discount Cards. ABC Fundraising was suggested. Further discussion of the raffle of Gift Baskets to be given away just before Christmas. Bethany, Robin, Brooke and Amanda will work on these.

Virtual ice show to be put together by Brooke and Amanda. Individual skaters, small group numbers, skaters that are members from other areas can post a number, all following protocols for socially distancing on ice proposed.
